

DISTINGUSISHED SERVICE AWARD

DAVID PHILLIP JAMIESON Class of 1973

David Phillip Jamieson was born in Westmoreland, Jamaica. He received his secondary education at St. Andrew Technical High graduating in 1973.

David later perused further studies at the College of Arts Science and Technology (UTech) and the institute of Management and Production, now known as the University College of the Caribbean. In Jamaica, David worked at Goretuca Investment, the Ministry of Works and the Ministry of Housing before migrating to the USA.

David, along with Hugh Jamieson and Roland Powell founded CARICOM Freight Consolidators in 1994. CARICOM freight operates from Opa Locka, Florida with offices in Kingston and Montego Bay, Jamaica as well. For the Past 15 years, the company has provided prompt, reliable, consistent services for shipment of commercial and personal cargo to Jamaica.

David was the Vanguard for the STATHS Alumni Association helping to establish and becoming the president of the first STATHS Alumni Association in Florida. He paved the way for the establishment of the STATHS Alumni Association North East Chapter (STATHS N.E.), providing his wisdom and support to STATHS N.E. David as is a Doer not only does he get things done but he also makes things happen to support STATHS. David's philanthropic efforts include giving back to this alma mater, he has made tremendous self and financial sacrifices not only to STATHS but also to STATHS N.E. Over the past 5 years, through CARICOM Freight, David has helped STATHS N.E not only to ship computers, books landscaping equipment and sports equipment to STATHS but assisted with the custom clearance and transportation of these items to the school free of charge.

David, A hundred years from now it will not matter what your bank account was, the sort of house that you lived in or the kind of car that you drove.

But the world may be different because you played such an important and distinguished role in the lives of so many students at STATHS.
